PATROL DUTY BAG

Purpose-built organization, durability,
and vehicle-ready access for
patrol operations.

PATROL DUTY BAG

Purpose-built organization, durability and vehicle-ready access for patrol operations.

The Discovery Patrol Duty Bag is designed to keep communication equipment, documents and daily patrol essentials organized, protected and immediately accessible from the vehicle.

A structured body, purpose-built compartments and glove-friendly hardware keep critical gear where officers need it — without unnecessary bulk or clutter.

BUILT AROUND PATROL

PASSENGER-SEAT READY

A compact, structured footprint fits comfortably in the front seat without restricting access to essential equipment.

QUICK DOCUMENT ACCESS

Dedicated front storage keeps forms, reports, folders and frequently used documents immediately available.

WET / DRY SEPARATION

A separate waterproof compartment isolates rain gear, gloves and other wet or soiled equipment from the main storage area.

STRUCTURED PROTECTION

Semi-rigid construction helps protect equipment while allowing the bag to maintain its shape during daily use.

GLOVE-FRIENDLY ACCESS

Oversized zippers, pulls and access points are designed for reliable operation while wearing duty gloves.

A PLACE FOR EVERYTHING

The Patrol Duty Bag combines customizable main storage with dedicated organization for documents, identification, tools and frequently used equipment.

REMOVABLE DIVIDER SYSTEM

Adjustable dividers allow the main compartment to be configured around the equipment required for each assignment or shift.

ADMIN + ID ORGANIZATION

Dedicated storage keeps pens, tools, notebooks, identification and quick-access essentials organized and easy to locate.

WATERPROOF WET GEAR COMPARTMENT

A fully separated compartment keeps rain gear, gloves and other wet equipment isolated from clean or sensitive contents.

TECHNICAL OVERVIEW

Dimensions:	21.5 in L × 8.5 in D × 13 in H
Shell:	800D Cordura nylon
Reinforcement:	1680D ballistic nylon in high-wear zones
Lining:	200D tan nylon interior
Base:	Waterproof structured base with HDPE reinforcement
Carry:	Dual top handles plus removable padded shoulder strap

BUILT FOR DAILY DUTY

Durable exterior materials, reinforced wear zones and a structured base are designed to withstand the repeated loading, transport and vehicle use of everyday patrol.

The high-visibility tan interior makes equipment easier to identify, while the configurable storage system keeps the bag adaptable as operational requirements change.
