

DISCOVERY FORMATION PACK 40L

BUILT FOR ACADEMY TRAINING.
ENGINEERED FOR DAILY READINESS.

A premium convertible backpack-duffel designed for police academy trainees. Built to organize documents, protect tech, separate wet and dirty gear, and transition cleanly between classroom, commute, and training.

RIGID ADMIN / DOCUMENT POCKET

Structured front pocket protects A4 / letter documents, folders, notebooks, and training materials while keeping them flat, organized, and easy to access.

PADDLED LAPTOP POCKET

Dedicated front-access padded compartment keeps a laptop or tablet protected and separated from the main gear load.

VENTILATED SHOE LOCKER

Rigid bottom compartment isolates training shoes from the rest of the bag. Ventilation grommets improve airflow and help manage odor.

CONVERTIBLE CARRY + VALUABLES

Carry it as a backpack or duffel using reinforced handles and strap system. A low-profile fleece-lined top pocket protects phone, sunglasses, wallet, and keys.
